### **ABOUT R5:**

Led by vocalist/rhythm guitarist Ross Lynch, R5 came together in 2009 and is comprised of Lynch's siblings Riker (bass/vocals), Rocky (lead guitar/vocals) and Rydel (keyboard/vocals) and friend Ellington "Ratliff" (drums/vocals). R5 has rapidly emerged as an exciting new voice in the world of pop rock. The band has moved one step closer to world domination with the release of their much-anticipated first single “Let’s Not Be Alone Tonight” off their upcoming sophomore album, the follow up to their hit debut album *LOUDER*, which rocketed to No. 1 on iTunes in 10 countries upon its September 24, 2013 release. The band has recently appeared on *Good Morning America*, *Ellen* and *LIVE! with Kelly & Michael*.

Riker can currently be seen on Season 20 of ABC's smash hit *Dancing With The Stars*, consistently receiving high praise from the judges and fans alike.

Ross currently stars as Austin Moon, one-half of an internet music duo, on the Disney Channel's hit comedy series *Austin & Ally*, which is in its fourth and final season. On Saturday, Ross won his third consecutive Kids' Choice Award for Favorite TV Actor for his role on the show. This summer, fans will be able to catch him on the silver screen as modern day surfer Brady in the Disney Channel Original Movie *Teen Beach 2*, the sequel to 2013's smash hit *Teen Beach Movie*.

The band self-released their first EP, *Ready Set Rock* in 2010 and signed with Hollywood Records in April of 2012 and released their second EP, *Loud*, on February 19, 2013. The quintet starred in a 5-part VEVO series titled "**R5 on R5**," which saw cameras follow them on a 2013 sold-out tour that included shows in the U.S., Canada, Australia, England and France. The band made a triumphant return to Europe in early 2014 and recently released a 6-part VEVO series, [R5 Live in London](#), capturing the mania of R5 fans during a magnetic show in London this past March. In April, the band will bring [R5: All Day, All Night](#) to the big screen for one night only. The documentary offers a never-before-seen look at the band's career from inception to the present and includes exclusive interviews, concert footage and footage from the band's early years.
