

BEA MILLER AND NOTD HOPE TO HAVE THE SONG OF THE SUMMER ON 'TRL'

The trio share the story of how "I Wanna Know" came to be

Sure, they're all less than 20 years old, but Bea Miller and the NOTD guys might have the song of the summer, according to *TRL* host Sway Calloway.

Sway told the trio that he's hearing a lot of buzz around their single "[I Wanna Know](#)" and I'm obsessing over it, too. NOTD shared how they first found Bea and went about getting her on the track. Even though Bea wasn't involved in the writing process, she admitted to Sway that she could still relate to the meaning of the song.
