In Real Life Give Fans the Ultimate Surprise in New 'How Badly' Video: Watch

Have you ever imagined going to a recording studio and being surprised by your favorite artist? That's what the boy band In Real Life (IRL) did for the "How Badly" music video, exclusively premiering on *Billboard* today (June 14).

IRL were the winners from ABC's summer show *Boy Band*, and they're continuing to make waves with "How Badly," an R&B/pop track featuring bilingual lyrics (English and Spanish). For the music video, the IRL team invited a group of fans in New York City to listen to a exclusive unreleased track. You can imagine what happened when members Sergio, Michael, Chance, Drew and Brady popped by to see how it was going.
