Grammy Award-winning heavyweights **KORN** and multi-platinum hard rockers **BREAKING BENJAMIN** today announced their epic tour set for 2020. Fans will have the chance to see two of the biggest forces in rock perform on the same stage each night across North America in the new year. Special guests **BONES UK** will also join the tour on all dates. Produced by **Live Nation**, the expansive 24-city outing will kick off January 23 in Allentown, Pennsylvania and make stops in Montreal, Columbus, St. Paul, Portland and more, before wrapping March 1 in Fresno, California. **Citi** is the official presale credit card of the tour. As such, **Citi** cardmembers will have access to purchase presale tickets beginning Tuesday, October 29 at 10 a.m. local time until Thursday, October 31 at 10 p.m. local time through **Citi EntertainmentSM**. Tickets go on sale to the general public beginning Friday, November 1 at 10 a.m. local time at **LiveNation.com**. **KORN**'s new album, "**The Nothing**", debuted at No. 8 on the Billboard 200 chart with 33,000 equivalent album units earned (of which 29,000 were in album sales) in its first week of release. **KORN** ties **VAN HALEN** for the fifth-most top 10s on the chart among rock bands; ahead of them: **THE ROLLING STONES**, with 37, **THE BEATLES** (32), **DAVE MATTHEWS BAND** (16) and **SANTANA** (16). "**The Nothing**" is **KORN**'s 14th Billboard 200 top 10 album. "**The Nothing**" was released on September 13 via **Roadrunner/Elektra**. The follow-up to 2016's "**The Serenity Of Suffering**" was once again produced by **Nick Raskulinecz**. In addition to first single "**You'll Never Find Me**", **KORN** released the "**Cold**" and "**Can You Hear Me**" songs prior to "**The Nothing**"'s arrival. A **BREAKING BENJAMIN** acoustic album is tentatively due before the end of the year. The effort will feature mostly reworked versions of the band's notable hits, including a couple from last year's "**Ember**" LP, plus one new song. **BREAKING BENJAMIN** is continuing to tour in support of "**Ember**". The disc debuted at No. 3 on the Billboard 200 chart and has spawned off two No. 1 rock radio hits with singles "**Red Cold River**" and "**Torn In Two**", marking the band's eighth and ninth No. 1 singles to date. "**Ember**" was released in April 2018 via **Hollywood Records**.
