Dreamers Recruit English Rockers The Wombats For New Remix Of 'Die Happy': Exclusive

10/10/2019 by [Kevin Rutherford](#)

The remix for the song comes as it nears the top 10 of Billboard's Alternative Songs chart.

[Dreamers'](#) "Die Happy," the lead single from the New York-based trio's sophomore effort *Launch Fly Land*, is already a modest hit at alternative radio, rising to a new peak of No. 11 on *Billboard's* Alternative Songs airplay chart dated Oct. 12.

Now, the song scores its own official remix, courtesy of fellow alt-rockers [The Wombats](#), which *Billboard* is exclusively premiering today, Oct. 10.

The new rendition of "Die Happy" turns up the fuzz and reverb factor a bit, putting more emphasis than before on the bass and guitar while also adding occasional vocal effects.

"So many of our all time favorite bands are from England; something in the cloudy souls of those people just seems to breed great authentic rock 'n' roll," Dreamers tell *Billboard*. "And now that we've finally been able to start getting over there to play shows, we're honored that modern-day English legends The Wombats wanted to put their spin on our song. Cheers to the remix, friends!"

The remix comes as Dreamers gear up for a 29-date North American tour that kicks off Oct. 24 in San Diego. The jaunt stretches east before returning to the West Coast for a final show Dec. 6 in Los Angeles.

Should "Die Happy" reach the top 10 of Alternative Songs, it would mark the band's second top 10, following the No. 7-peaking "Sweet Disaster" in May 2017.
