

## ***Variety's Young Hollywood Impact Report 2017***

BY VARIETY STAFF

### **Olivia Holt**

**Actress/Singer**

It's been a big year for the multi-talented Holt, who scored the lead role in the upcoming Freeform drama series "Marvel's Cloak & Dagger." "My character has a lot of layers, so it's going to be a nice challenge," she says. The Tennessee native and Hollywood Records artist also released her first EP "Olivia" in 2016, has more than 100 million streams on Spotify (music videos for "Phoenix" and "History" have over 10 million combined views), and new music out this fall. "Music was my first love, so I plan to keep doing that and acting," adds Holt, who also stars in the upcoming indie comedies "Class Rank" and "Status Update."
