WHAT'S

SOUTHERN BELLE

"When I'm home in Tennessee, my style is more relaxed than it is in Los Angeles," says Olivia. "A flowy dress like this is great because it works for chilling during the day and then going out at night." Styling tip: To offset romantic ruffles, try a pair of edgy earrings.

DRESS Tanya Taylor, tanyataylor.com. **EARRINGS** Lela Sadoughi (all others, Olivia's own).

NECKLACE AND RING Laura Lombardi, lauralombardi.loveiny.com. **SHOES** SJP for Sarah Jessica Parker, jordstrom.com (similar colors).

POP PRINCESS

"The right clothes can really get me amped up to perform," she says. Not hitting the stage but still want an attitude boost? Replace your basic white T-shirt with a metallic one.

TOP AND PANTS Piko, piko.com. **EARRINGS** Sarah Magid, sarahmagid.com. **NECKLACE AND BRACELET** Martini Ali, martinali.com.

YOUR

BEAUTY TIP

Glowy skin and your fave jeans are the prettiest (and easiest!) pairing. Just apply **Neutrogena Hydro Boost Hydrating Serum** (\$25, drugstores) before your makeup.

LAIID-BACK

For a cool day look, don't be afraid to mix different shades of denim—but make sure they have a similar wash. "A shiny bag and heels can totally dress up your whole outfit," adds Olivia.

STREET

STYLE

BUTTONED UP

For a bold going-out look, a long denim jacket can double as a dress—but it works well with a mini, too. Says the Neutrogena Brand Ambassador, "I liked keeping two buttons done with the skirt peeking through for a more polished and feminine feeling."

CALI VIBE

BOHO

An oversize Baja is a surfer staple. "It feels effortless and cool at the same time," says Olivia. "And it's versatile! You can wear it around the house, out with friends, or just to kick it at the beach."

HOODIE Pam & Gela, pamandgela.com **SHORTS** Scotch & Soda, scotch-soda.com **EARRINGS** nOr Jewelry, noryc.com **NECKLACE** In Montauk, inmontauk.com **BACKPACK** Rossella Jardini, rossellajardini.com

NIGHT

OUT

FLIRTY

Cutouts toughen up a sweet pastel dress. And, as Olivia points out, "You don't need to accessorize a dress like this too much."

DRESS Self-Portrait, shopself.com; **EARRINGS** NOR Jewelry, nor.nyc.com.

GLAM

"If I were to go to prom again, this would be my first choice," she says. "Metallic photographs so well and really makes you stand out!" (Plats also guarantee you'll make an amazing entrance.) For the finishing touch, skip a choker and try over-the-top earrings.

DRESS Maria Lucia Mohan, mlh-shop.com; **EARRINGS AND CUFF** Erickson Beamon, Saks Fifth Avenue; **SHOES** Jimmy Choo, jimmychoo.com.
