Mainly produced by Matt Wallace (Maroon 5, O.A.R., the Replacements) and co-produced by R5 guitarist Rocky Lynch, [Sometime Last Night](#) marks the evolution of R5 as a creative unit with band members writing or co-writing eight of the

11 tracks resulting in a selection of arena-sized pop songs shot through with gorgeously crafted melodies, electrifying harmonies, and lyrics culled from real-life stories the band's been through over the past few years.

In support of the release, the internationally-acclaimed band kicked off their [Sometime Last Night 2015-2016](#) summer headlining tour on July 7, followed by a string of high profile television performances starting with their late night TV debut on [Jimmy Kimmel Live!](#), followed by *Good Morning America* and *Live with Kelly & Michael*.

R5 premiered their video for ["All Night"](#) on July 8 and is already nearing the 1 million views mark in just over a week. The clip was shot in the bathroom of the Avalon Hollywood in Los Angeles and features the band and a few of their friends playing out various scenarios in front of a bathroom mirror during the course of a night out in L.A.

ABOUT R5:

Led by vocalist/rhythm guitarist Ross Lynch, R5 came together in 2009 and is comprised of Lynch's siblings Riker (bass/vocals), Rocky (lead guitar/vocals) and Rydel (keyboard/vocals) and friend Ellington "Ratliff" (drums/vocals). R5 has rapidly emerged as an exciting new voice in the world of pop-rock. The band has moved one step closer to world domination with the release of their sophomore album, ***Sometime Last Night***, the follow up to their hit debut album *LOUDER*, which rocketed to No. 1 on iTunes in 10 countries

upon its September 24, 2013 release. ***Sometime Last Night*** and *LOUDER* combined have over 38M streams on Spotify. The band has recently appeared on *Good Morning America*, *Ellen*, *LIVE! with Kelly & Michael* and *Jimmy Kimmel Live!*

The band self-released their first EP, *Ready Set Rock* in 2010 and signed with Hollywood Records in April of 2012 and released their second EP, *Loud*, on February 19, 2013. The quintet starred in a 5-part VEVO series titled “**R5 on R5**,” which saw cameras follow them on a 2013 sold-out tour that included shows in the U.S., Canada, Australia, England and France. The band made a triumphant return to Europe in early 2014 and recently released a 6-part VEVO series, [R5 Live in London](#), capturing the mania of R5 fans during a magnetic show in London this past March. The band recently brought [R5: All Day, All Night](#) to the big screen for one night only. The documentary takes a never-before-seen look at the band’s career from inception to the present and includes exclusive interviews, concert footage and footage from the band’s early years.
