## New Video: Zendaya, 'Replay'

Posted 8/16/13 11:00 am EST by Jenna Hally Rubenstein in Celebrity, Music, Videos

You want us to put Zendaya's "Replay" video on replay? Works for us!

You've probably already put 16-year-old Disney starlet [Zendaya's "Replay"](#) on replay (had to do that once, sorry), but now you're definitely gonna need to watch the song's official video, like, 89 times. Mainly because you won't believe that an IRL human is capable of nailing such SICK dance moves, and also because you're gonna wanna try to learn them.

But then you're gonna realize that Zendaya appeared on "Dancing With The Stars," and you didn't, so it's probably best to leave all that slick choreography to the professionals. (Just stick to dancing in front of your mirror with a hairbrush as a mic. It'll be OK.)

### Watch Zendaya's "Replay" video after the jump.

Slated to appear on Zendaya's self-titled debut album, out Sept. 17, the Colin Tilley-directed "Replay" is basically one long impressive dance break that never ends. Zendaya shows up in an abandoned warehouse (kinda like the one they used in [Britney Spears' "I'm a Slave 4 U"](#) video!), and, at first, she dances alone in front of the mirror (be on the lookout for her version of the Moonwalk -- SERIOUSLY, you won't be disappointed).

Later, a few of Zendaya's pals, who just so happen to be stunning male models, join in on the dancing fun, and the crew spends the rest of the afternoon twerking it out and presumably burning more calories than you would after an entire day on the treadmill. In
